Dear Supporter:

The Concerned National Black Nurses of the Central Savannah River Area, Inc. (CNBN of CSRA) is excited to announce our first **CSRA Holistic and Wellness Expo: Empowering Healthy Lives**, and we invite you to attend. The event will be held on Saturday, October 4, 2025 at True North Church, 1060 W Martintown Road, North Augusta, SC 29841. Doors will open at 10 a.m.

Our charge for the 2025 health fair is **"Improving Health Literacy in the CSRA."** To impact public policy, we must work together to combat health disparities and promote healthy lifestyles in communities. Our primary fundraising and ceremonial events for CNBN of CSRA are generally centered around our Nursing Scholarship that is given annually in December. However, there is also a need for operational and outreach funding that will enable us to go out into the community to provide the needed services. We are asking for your support to continue to do the work to bring awareness to the health disparities, create health education opportunities, and collaborate with other organizations to meet the charge of improving health literacy in the CSRA.

We operate in the mission, "Nurses and Allied Health members committed to improving the quality of life for all individuals, as an organization that promotes excellence, mentoring, and support to those seeking a career in Nursing and Allied Health." National Black Nurses Association was organized in 1971 under the leadership of the late Dr. Lauranne Sams, former Dean and Professor of the School of Nursing at Tuskegee University, Tuskegee, Alabama. NBNA is a non-profit (501c3) organization incorporated in 1972. CNBN of CSRA was organized in 2005 and incorporated in July 2009. As nurses and allied health personnel, we are committed to improving the quality of life for all individuals. Our organization promotes excellence, mentoring, and support to those who are seeking a career in Nursing and Allied Health.

Since our establishment in 2005 and official chartering by the National Black Nurses Association in 2009, The Concerned National Black Nurses of the CSRA have significantly impacted our community. Visit our website to see a listing of our activities and events under the News and Announcements section. (<https://cnofcsra.nursingnetwork.com/nursing-news>)

We hope you will choose to support the ongoing work of the Concerned National Black Nurses of the CSRA by donating to our cause. Checks or money orders should be made payable to **CNBN of CSRA** and mailed to **P.O. Box 204228, Martinez, GA 30917**.
